decrees

Art. 1 – Subject

A procedure is hereby announced for the direct award of no. 1 Research assignment, aimed at introducing young scholars to research and innovation, within the framework of the research project entitled "WOC TOP: Web-Based Optimized Cognitive Training for Older People" to be carried out at the Department of General Psychology under the supervision of Prof. Franca Stablum, acting as Tutor.

The Research assignment, with a duration of 12 months and an annual gross amount, for the recipient, of Euro 22.500,00 is awarded pursuant to art. 10 of the current Regulations for the awarding

of Research assignments in accordance with art. 22-ter of Law 240/2010 within the framework of the aforementioned research project, Scientific Disciplinary Group: 11/PSIC-01 - *General Psychology, Neuropsychology and Cognitive Neuroscience, Psychometrics*, Scientific-Disciplinary Sector: PSIC-01/A – *General Psychology*.

The Research assignment, funded by Ministry of University and Research, Bando PRIN 2022, Prot. 2022JPZ5AX concerns the performance of the research activity specified as follows:

WOC TOP is an innovative web-based cognitive training program designed to enhance cognitive functioning in older adults. As global life expectancy increases, preventing cognitive decline becomes crucial for maintaining quality of life. This project aims to develop and validate a personalized, evidence-based cognitive training system through a multicenter Randomized Controlled Trial. The system focuses on enhancing cognitive resources in aging populations, with potential applications for individuals with Mild Cognitive Impairment (MCI). WOC TOP will be tested on healthy adults aged 65 and older.

Planned activities:

- Assessment of the program's effectiveness and usability;
- Writing reports with immediate feedback for computer science collaborators and the research team;
- Collaboration with computer science experts for the analysis of performance data from a computerized training program;
- Management of contacts with relevant stakeholders to promote research in the local area;
- Scheduling and maintaining communication with research participants;
- Cognitive assessment and evaluation of digital literacy in older adults, both in person and online;
- Support during training sessions, data coding, and data analysis;
- Collaboration in knowledge transfer and dissemination activities;
- Periodic writing of research reports;
- Participation in research team meetings.

Art. 2 – Admission requirements

Young scholars who hold a master's degree in *Psychology* (LM-51) obtained no more than six years ago and have a curriculum suitable for assisting in research activities may submit an expression of interest for the assignment.

The qualifications must be held on the announcement deadline date.

If the degree diploma was obtained abroad, it must be declared equivalent, for selection purposes only, to the master's degree or single-cycle master's degree by the Selection Committee.

Research Assignments, pursuant to Art. 22-ter of Law no. 240 of 30 December 2010, may not be awarded to those who are in one or more of the following situations:

- those who have held contracts referred to in Article 24 of Law 240/2010;
- permanent staff, employed on a permanent basis, of universities, public research bodies and institutions whose scientific specialization diploma has been recognized as equivalent to the PhD pursuant to Article 74, fourth paragraph, of Presidential Decree no. 382 of 11 July 1980;
- those who have a degree of kinship or affinity, up to and including the fourth degree, with a professor or researcher belonging to the Department proposing the selection or with the Rector, the Director General or a member of the University's Board of Directors;
- have already benefited from Research Assignments referred to in Art. 22-ter of Law 240/2010 as amended by Law no. 79/2022 for a period which, added to the duration of the assignment provided for in the announcement, exceeds a total of 3 years, even if not continuous. For the purposes of the duration of the aforementioned relationships, periods spent on maternity or paternity leave or for health reasons according to current legislation are not relevant.

The total duration of relationships established with holders of positions referred to in Articles 22 - (Research Contracts), 22-bis (Post-doc Assignments), 22-ter (Research Assignments) and contracts referred to in Article 24 (RTT) of Law 240/2010, even with different universities, state, non-state or online, with institutions of higher artistic, musical and dance education, with institutions whose scientific specialization diploma has been recognized as equivalent to the PhD pursuant to Article 74, fourth paragraph, of Presidential Decree no. 382 of 11 July 1980, and with public research bodies may not in any case exceed 11 years, even if not continuous. For the purposes of the duration of the aforementioned relationships, periods spent on maternity or paternity leave or for health reasons according to current legislation are not relevant.

Candidates are admitted to the selection with reserve.

The Structure that issued the announcement may order at any time, by reasoned decree of the Director, the exclusion from the selection for lack of the required requisites.

Art. 3 – Submission of expressions of interest

The expression of interest, as well as the qualifications held, documents, publications and all attachments deemed useful, must be submitted, under penalty of exclusion, electronically, using the dedicated application, on the Pica platform page: <https://pica.cineca.it/unipd/>.

The expression of interest form can be completed starting from 1:00 PM (Italian time) on 09/01/2026 and must be submitted by 1:00 PM (Italian time) on 20/01/2026.

For registration, completion, signature and submission of the application, candidates must comply with the provisions of the **Guidelines for completing applications - Research Assignments** (Annex 1 - Guidelines), which form an integral and substantial part of this announcement.

The lack of signature and/or identity document is grounds for exclusion from the selection process.

The candidate may also access the procedure for completing the expression of interest through identification via the SPID system (Public Digital Identity System). In this case, it will not be necessary to sign the application form.

The submission of the expression of interest to the Department of General Psychology takes place automatically with the final closure of the online procedure. Therefore, no delivery or shipment of paper material should be carried out.

Candidates whose expressions of interest have not been submitted within the deadline or have been submitted in a manner other than that indicated above are not admitted to the selection.

The expression of interest must be accompanied by:

1. copy of a valid identity document in .pdf format;
2. scientific-professional curriculum vitae in .pdf format;
3. qualifications and publications relevant to the selection;

The expression of interest form is to be considered, for all legal purposes, as a self-certification pursuant to Articles 46 and 47 of Presidential Decree 445/2000 and subsequent amendments and additions, with regard to the data contained therein and the attached documents.

Those coming from non-EU countries in possession of a valid residence permit may use substitute declarations according to the procedures provided for EU citizens, if it is a matter of declaring states,

facts and personal qualities that can be certified or attested by Italian public entities or if the production of substitute declarations is made in accordance with international agreements between Italy and the declarant's country of origin.

Those coming from non-EU countries not in possession of a regular residence permit may use the online procedure for uploading qualifications in .pdf format and certificates, issued by the competent authorities of the of their Country of citizenship, accompanied by a translation into Italian authenticated by the Italian consular authority which certifies their conformity to the original. The originals of these documents must be exhibited to the Committee during the interview, where applicable, and in any case, produced to the Structure upon any conferral of the assignment.

Any information or clarification regarding the procedures for submitting expressions of interest may be requested from the Structure (telephone number 0498276375 - email: ricerca.dpg@unipd.it).

For technical issues only, please contact the support service via the link at the bottom of the page: <https://pica.cineca.it/unipd>.

The candidate undertakes to notify any changes to the contact details provided in the expression of interest form.

Art. 4 – Assessment procedure

The assignment will be awarded based on the evaluation of expressions of interest received by the Research Supervisor Prof. Franca Stabrum according to the criteria indicated below:

Required skills and experience:

- Fluency and proficiency in Italian are necessary in order to interact appropriately with elderly native Italian speakers.
- Knowledge of the main applications in the field of cognitive enhancement for healthy older adults.
- Experience in managing training programs using web-based platforms.
- Skills and experience in administering tests for screening and assessment of healthy older adults.
- Skills and experience in computerized cognitive enhancement training.
- Skills and experience in using statistical software for data analysis.

The research supervisor identifies the candidates deemed suitable to carry out the planned activities, providing an overall assessment for each of them. For each appointment, among the candidates

considered suitable, the Principal Investigator selects the candidate deemed most qualified to perform the relevant activities, providing adequate justification for the choice.

Art. 5 – Safeguard rules

For matters not specified in this announcement, reference is made to the provisions contained in Law no. 240/2010 as subsequently amended and implemented, in the current Regulations for the awarding of Research Assignments pursuant to Art. 22-ter of Law 240/2010 of the University of Padua, and to current legislation.

The Structure reserves the right to verify the accuracy of substitute declarations of certifications or notarial deeds made by candidates pursuant to D.P.R. 445/2000, at any stage of the procedure. If the above-mentioned check reveals the untruthfulness of the content of the declarations, the declarant shall forfeit any benefits resulting from the provision issued on the basis of the untruthful declaration, without prejudice to the provisions of Art. 76 of D.P.R. 445/2000, concerning the penalties provided for by the Criminal code and special laws on the matter.

The person responsible for the procedure is the Administrative Secretary of the Department, dr. Elisa Barzon.

Art. 6 - Processing of personal data

The processing of personal data provided by candidates takes place in compliance with the provisions EU Regulation No. 679 of 27 April 2016 (General Data Protection Regulation - GDPR).

The complete privacy policy is available at the following link: <http://www.unipd.it/privacy>

Pursuant to art. 22-ter, paragraph 4, of Law 240/2010, this notice will be published on the Structure's website and on all other websites required by the funding body.

This announcement is also translated into English for informational purposes only; for all legal purposes, only the Italian version is valid.

Padua,

The Director of the Department
